Phase 1 to 2C Supplementary

For children who are Singapore Citizens (SC) or Permanent Residents (PR)

¹ For Phase 1, schools will email the application form to parents of all students of the school via email. Parents are required to email the completed application form and supporting documents back to schools for registration.

² For Phase 2C and 2C Supplementary, parents should register online using the Primary One Internet System (P1-IS) at <https://www.moe.gov.sg/primary-one-internet-system>

Parents, who are unable to use P1-IS, can register through the online form at go.gov.sg/p1onlineform

Phase 3

- International students (non-SC / non-PR children) who do not submit the 'indication of interest' form to MOE by 8 Jun 2020 will **not** be able to register during Phase 3 of the P1 Registration Exercise. Parents of non-SC / non-PR children should note that admission is **not guaranteed** due to limited vacancies, and are advised to consider alternative educational options well ahead, even as you may decide to seek admission to P1 in 2021.
- In Oct 2020, MOE HQ will notify parents who have indicated their interest via email on whether their non-SC / non-PR child can be offered a P1 place. For non-SC / non-PR children offered a place, the parent will be informed of how to register with the designated school.
- By 30 Oct 2020, schools will inform non-SC / non-PR children of the reporting day, where parents would bring along the outcome email by MOE HQ and relevant documents for verification at the school.
